Single Family on 0.00 Acres

Kingswood, St. Albert, AB

Immaculate custom built two storey home with 3,541 sq ft of fully finished living space. Quality finishings throughout. A wide range of buyer needs can be met with five washrooms and four bedrooms. The main flr den could also be utilized as a 5th bedroom with a full bath directly across the hall. The upper flr has an amazing primary bedroom with a sitting room and fireplace. The other two bedrooms on this level are large and each have their own bathrooms. The family room on this level creates a great space to lounge. Main flr layout is ideal for entertaining with a formal dining room, large living room, breakfast nook and massive kitchen. laundry/mudroom is also on this level as you enter from the attached garage. The finished basement is done to the same standards. The generous open space allows for great flexibility. There is also a large bedroom with an ensuite and a storage room. Other details: Built in sound system, Air conditioning, Ornate millwork, Maintenance free deck. Some virtual staging used.

Built in 2005
